

LUX TURF - tech sheet

Surface detail

Backing detail

Product features:

Outdoor turf effect mat with printed design customisation

- Durable nylon grass effect surface, printed in Jet-Print method
- Choose from 44 intensive standard colours
- Kleeted non-slip backing made from durable nitrile rubber
- Specifically developed for outdoor use
- Light-resistant and suitable for underfloor heating

Quality:	LT
Customs tariff number:	57033018
Product details:	warranty 2 EU in Made PVC-free 100 Slip-resistant
Classification of the burning behaviour:	EN 13501-1 C _{fl} -s1
Total mat weight:	approx. 4.28 kg/m ²
Overall height:	approx. 12 mm
Standard widths:	50 cm, 85 cm, 115 cm, 150 cm and 200 cm
Standard lengths:	up to 400 cm
Application areas:	Outdoor
Pile:	100 % High-Twist Nylon (HTN) Polyamide 6 Monofilament
Colouration:	Jet-Print printing process
Pile height:	approx. 10 mm
Pile weight without substrate:	1.47 kg/m ²
Pile weight with substrate:	2.47 kg/m ²
Substrate:	100% Polypropylene
Substrate coating:	Latex-Compound on SBR-Basis
Rubber:	100 % Nitrile rubber
Rubber thickness:	mm 1.20
Rubber weight:	kg/m ² 1.81
Rubber border width:	mm 20
Cleaning:	clean carpet clean vacuum clean steam
Tolerance:	Production-related tolerance of +/- 5 %
